

BETTER BUILT
STRONGER BUILT
PANEL BUILT

All Panel Built prefab stairs, metal stairs, metal railing and components are engineered, fabricated and powder coated at our plant for a lasting finish and fast delivery. Each metal stair system is manufactured to your specification allowing for various sizes, heights and specialty metal hand rail that meets OSHA and IBC codes.

Ladders And Stair Systems

✓ Featuring solid steel construction and a powder coat finish, Panel Built cage ladders are engineered to meet OSHA specifications. Ladders feature a flared entry for easy access and include a steel base mounting bracket.

✓ Standard Stair Options:

- IBC or OSHA
- Grip- Strut grating or concrete treads
- Galvanized steel
- Extra wide treads
- Picket railings
- Lexan/ Plexi-glass railings

✓ Custom Options are also available including mobile stair systems, alternating treads, and multiple landing options.
